INSTITUTE
AWARDS GUIDE**

2017-2018

REVISED AUGUST 2017

**THE CONSTRUCTION SPECIFICATIONS INSTITUTE
NORTH CENTRAL REGION
HONORS & AWARDS GUIDE**

Showing appreciation for work well done ensures the continuing growth and success of our organization.

Top Ten Reasons to Make a CSI Honor or Award Nomination:

1. To recognize excellence in service to CSI at National, Regional, and Chapter levels. Don't forget National Awards!
2. To promote your Chapter and CSI. Awards can be promoted outside your Chapter.
3. To motivate others to strive and achieve.
4. Public relations – Other organizations will recognize achievement if you get the information to them.
5. To develop and strengthen professional relationships between individuals and groups.
6. To encourage new talent and leadership in CSI.
7. To say “Thank You” for contributing to the construction industry and CSI – Everyone likes being thanked.
8. Because members DESERVE to be publicly recognized for their achievements.
9. Award winners will have something to brag about at the office the next day.
10. If you are busy filling out award forms, you won't be able to join in the fun of shoveling snow, taking down those Christmas or Holiday decorations, shoveling snow, putting *up* Holiday decorations, or did I mention shoveling snow?

“Recognition is the greatest motivator.”—Gerard C. Eakedale

THE CSI AWARDS PROGRAM

This guide has been prepared to assist members and Chapters of the North Central Region of the Construction Specifications Institute to determine whom awards may be given and the procedures for nomination for awards given by the North Central Region.

Since CSI is a voluntary organization, many members generously contribute their time and effort. It is important to recognize the talent, achievements, and notable contributions to CSI and the construction industry that support the mission of CSI.

An awards program is the principal method for saying "Thank You" to those members. Gracious and grateful recognition of extraordinary effort in the form of awards encourage continuing contributions.

An awards program intensifies membership interest, gains new members, develops new talent, and stimulates interest in CSI's growth.

The CSI Awards Program has three levels: Institute, Region, and Chapter. The focus of this guide is the Region Awards Program and the recognition of notable contributions and service to the North Central Region.

For a more detailed description of awards and submittal requirements, please consult the CSI Administrative References, Honors and Award Guide, revised for this year!

REGION AWARDS COMMITTEE

The Region Awards Committee is composed of no fewer than three members of the Region. The committee consists of (as of July 1 of each calendar year):

Region President

Region President-Elect

Region Immediate Past-President

Awards Committee Chair

Awards Committee Co-Chair

Awards Committee Immediate Past Chair

Duties and Responsibilities – Administrative

1. Develop details criteria, plus nomination and judging procedures, for each region award.
2. Review, revise, and publish changes to this awards guide.
3. Serve as a resource person for the Region's Chapter Awards Chairs.
4. Conduct the 'Awards Workshop' at the annual Region Conference.
5. Act as a liaison with the Institute Awards Committee, providing information to the committee and dissemination information about the Institute's awards programs with the Region.
6. Submit reports to the Chairman of the Institute Awards Committee:
 - a. One report should be received no later than February 15.
 - b. The second report should be received no later than eight weeks prior to the annual convention.
 - c. The reports should generally describe the status of the region and chapter awards programs and should list the region and chapter awards given during the period, noting the names of the recipients.
 - d. The reports may also make recommendations for changes in the awards programs.

Duties and Responsibilities – Awards Based

1. Organize, implement and administer the Region's awards program according to this Awards Guide.
2. Publicize the Institute's Awards Programs to create better understanding and to promote greater participation.
3. Publicize the Region's Awards Programs to create better understanding and to promote greater participation.
4. Receive and coordinate nomination paperwork for the Region nominations.
5. Review nominations for Region Awards and make selections.
6. Notify Chapter Awards Chairs about successful selections and nominations not accepted.
7. Assist the Region President, Region President-Elect, and Region Immediate Past President in the presentation of awards at the annual Region awards banquet.

REGION AWARDS PROGRAM

1. Be aware of deadlines for submission of all awards at all levels.
2. Award nominations must be submitted to the Region Award Chair.
3. Make sure you use the proper forms. Do not omit any forms.
4. Quality of endorsements (when required) is more important than quantity.
5. Secure the packet together using non-permanent clips (i.e., no staples or GBC binding).
6. Attach nomination forms to the packet.
7. When sending newsletters, make sure that they are not stapled closed.
8. When submitting electronically, compile and create a PDF for each submittal.
9. Personal knowledge by any of the committee members will not be considered when judging nominations.
10. If there are no nominations for a specific award or the committee does not feel that any of the received nominations are deserving of an award, the committee may choose not to give an award for that year.
11. The awards nomination submitted needs to be as comprehensive and complete as possible because the nominated person or organization and the reason for the nomination may not be known to all members of the Region Awards Committee. Consequently, the nomination submitted serves as the basis of information regarding the nominee and his achievements.
12. All awards will be distributed at the annual Region awards banquet held at the annual Region Conference.

Nominations

1. Forms: Nominations must be made in writing using or following the North Central Region of the CSI Honors and Awards Forms listed in the specific award criteria, and included in this guide, and must be submitted in the manner specified.

3. Qualified Nominators: Nominations shall be made by any chapter within the region, or not fewer than three region members in good standing.
4. Electronic submissions are acceptable; facsimile submissions are not acceptable.
5. Actual signatures are not required for awards (electronic signatures are acceptable); if necessary, the committee will call to verify information. Contact information will therefore be required.

Procedures for Nomination for Region Awards

1. Requisite forms are included in this Honors and Awards Guide.
2. One original copy of each nomination is required. Electronic submissions may be in CD or DVD form if applicable. Refer to specific award criteria.

2. Endorsements may be made by any party, except members of the Region Awards Committee. Letters should include endorsement from clients, professional associates, and peers.
3. Endorsers should make their endorsements pertinent to the specific areas of achievement or service on which the nomination is based, and should cite firsthand knowledge.

At the nominator's discretion, nomination package may include previously submitted information or may be partly or entirely new information.

Premature Publicity

1. Nominators are cautioned not to publicize the names of nominees, except as necessary to secure letters of endorsement and documentation supporting the nomination, until such time as the nomination has been favorably acted upon and results have been announced by the Region. Such premature publicity may embarrass both the nominee and the nominator.
2. Names of nominees not selected to receive an award will not be publicized.

Notification of Award

1. The Region Awards Chair will notify award recipients that they will be receiving an award, but may choose to keep the nature of the award secret until the annual Region Conference. All Region award recipients will be announced at the annual Region Conference
